

✓ Correct Answer

What flag did you receive after correctly escalating the alert from the previous task to L2?

Note: Set the right assignee and add an intermediate verdict (TP or FP)

```
THM{good_job_escalating_your_first_alert}
```

✓ Correct Answer

Now, investigate the second new alert and provide a detailed alert comment.

What flag did you get after escalating this alert according to the workflow?

```
THM{looks_like_webshell_via_old_exchange}
```

✓ Correct Answer
