At 18:30 UTC, m.boslan@tryhackme.thm (Martin Boslan, HR lead), logged in to their Google Workspace from a trusted LPT-HR-0988 device, and a minute later attempted to download the whole HR folder on their laptop, but was blocked by our DLP solution.

A minute later, Martin shared the 'Employee Records (Updated)' spreadsheet to an unidentified shadow18562@protonmail.thm Protonmail email. Although no events are
