

Looking at the new alerts, who is the "sender" of the suspicious, likely phishing email?

support@microsoft.com

✓ Correct Answer

Open the phishing alert, read its details, and try to understand the activity.
Using the Five Ws template, what flag did you receive after writing a good report?
Note: Assign yourself, move the alert to In Progress, and fill in the Analyst Comment.

THM{nice_attempt_faking_microsoft_support}

✓ Correct Answer

Task 4 ☐ Escalation Guide ▼

Task 5 ☐ SOC Communication ▼

Task 6 ☐ Conclusion ▼

How likely are you to recommend this room to others?
